My money and my life

JOHANNA YOUNGER is 15 and likes the Stranglers, John Travolta and art. She would like to be a film make – up artist when she leaves school, "If I can get my union card…" "I used to get 80p a week pocket money from my parents, but as that wasn't very much and I got bored on Saturdays I decided to get a job. Now, I work in a baker's from half – past – twelve to half – past – five : I get £2.5 for that, 60p a week pocket money and 40p every time I do babysitting. We get plenty of clothes and things--well, not plenty but enough. We're just comfortable really; maybe we'd like a bit more to have a cleaner in. I'd like a certain standard of living when I leave home; a nice house, nice furniture and clothes.

Bee attack injured 20 pupils in Nakhon Sawan 7 May 2017 at 17.13 NAKHON SAWAN – Swarm of bees from huge nests attacked pupils and parents who were gathering for a meeting at Nong Bua district on Sunday. About 20 children were injured.

The incident happened in the morning while parents and pupils attended a meeting for the 2017 school year in the auditorium. Witnesses said gusty winds hit two bees' nests about one metre long on a big tree just opposite the auditorium.

Hundreds of bees then attacked the meeting participants including teachers as well as outdoor vendors. About 20 pupils were injured. Their parents rushed them to a local hospital.

Beverage vendor Pongnapa Nakarat said about 20 bees stung her both inside and outside her clothing . She had to keep running away and take off her shirt.

She said that fortunately she was not allergic to bee stings but some pupils were and needed an injection.

Local teachers said everyone was safe but they would ask municipal officials to get rid of bees' nest.
